Director Message

*D*ear Students

Coaching, Teaching, Mentoring, Guidance..... Its all about developing a child. It's not a business for me. It is my Passion, my Life, my Dream.

I believe that there is a spark in every child's mind and that spark has to be transformed into brilliance.

When an 80% blind girl can clear CA;

When can a 40-year-old married woman can do CA ?

When a 4 time CA foundation failure can do CA;

When a cowherd from Banajara Group can do CA;

Why Cant you ?

You also can achieve with your strong determination and Support form the **NPA** team.

I welcome you all to be a part of success !
